Viene fornita già premontata destra o sinistra e quindi pronta per l'assemblaggio al serramento. Portata di due cerniere Kg 70.

CONFEZIONE

Scatola da 50 pezzi

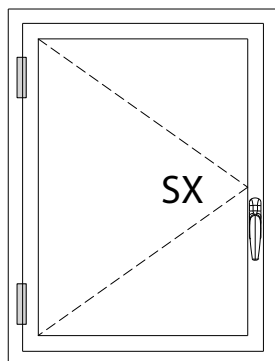

Hinge for "MAXima" doors and windows

Two-wing hinge made from aluminium, the counterplates, screws and pin are stainless steel while the bush is made from self-lubricating nylon. It is ready-assembled right or left and so easy to fit to the wing.

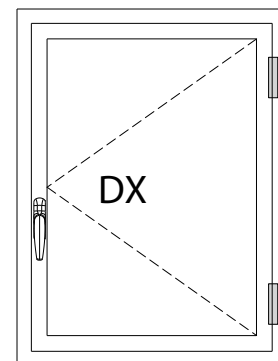

Capacity of 2 hinges, Kg 70.
